## AFTERCARE 2021

Dear Parents.

As we say goodbye to what has been a very trying and challenging year, we need to be prepared for what lies ahead of us. Our team at the Aftercare has been planning and preparing for 2021. We have all been affected by Covid 19 in so many different ways and we are all too aware that most of us have had financial difficulties. It's because of this that we have decided to keep the Aftercare fees as they are, and not to increase the fees for 2021.

Our team at the Aftercare is ready and prepared to welcome the children to our Centre in the New Year. The Aftercare has been home away from home, and a place where the children feel safe. All Covid 19 procedures are in place, and we insist on following the guidelines. We offer a scrumptious lunch as well as late afternoon snacks. In the homework sessions we assist your children and ensure that they complete as much homework as possible before going home.

Our activities on the field may vary slightly due to social distancing ensuring the children have fun. We know that your children have sacrificed many of their sporting activities, so we have decided to introduce a fitness program up to three times a week. It will be a lot of fun. We will concentrate on hand to eye co-ordination, balance, core fitness as well as strengthening exercises.

Remember that our Holiday Club is also included in your annual fees.

Please don't hesitate to contact us.
